No modern discovery in medicine has been of greater value to the people than the fact that Beggs' German salve will cure cuts, burns and scalds without leaving a scar. It will also positively cure blisters, itching and bleeding piles quickly and permanently. It has cured thousands it will cure you. People's drug store.

The palatial train of private cars occupied by H. J. Rouse, president; A. A. Allen, general manager; M. Sweeney, general superintendent and other officials of the Katy road, passed through the city going north last week.

"I have used Beggs' German salve in my family for several years, and consider it the best salve made. It will cure a burn, cut, or any skin disease without a scar, and it has cured every case of piles that has ever come under my notice."—Amos R. Small, People's drug store.

Holidays Approaching. Many of the stores are already putting on a holiday appearance. At Foreman's there is an exceedingly fine display of sea shells to be seen, and A. J. Green has dressed his drug store up in bunting and pictures which gives it an appearance of elegance that is delightful.

"I have suffered with piles for nearly ten years. I could heal them up for a time but they always came back. Three years ago I bought a box of Beggs' German salve and used it as directed. I obtained immediate relief and have not had piles since."—W. E. Carlson, Stout City, Iowa.

Lost Money and Clothing. A lady arrived from Tahlequah last week on the midnight Katy, and in going from the depot to her home in the northeast part of town lost her pocket book containing upwards of fifty dollars in cash. A bundle of clothing was also lost containing several dresses and a small suit of boys clothing.

There is nothing that will give such quick relief to an itching, smarting skin as Beggs' German salve. Mothers should know that it will cure eczema, chafing, heat, rash, or any irritating skin disease of the children. Also cures cuts, burns, scalds and piles. Don't be without it. People's drug store.

A Valuable Present. Mr. and Mrs. Sam Frazee, who recently commenced housekeeping, are the recipients of a handsome present. Yesterday they were pleasantly surprised to receive one of the most valuable and convenient house ranges made, the gift of the Bridge & Beech manufacturing company.

An attractive woman thrives on good food and sunshine, with plenty of exercise in the open air. Her form glows with health and her face blooms with its beauty. When troubled with a constive habit, she takes a few doses of Herbine to cleanse her system of all impurities. Price 30 cents. People's drug store.

Depot Thieves. A sharp lookout is being kept for a gang of petty thieves who have been hanging around the depots and pilfering every loose article that wasn't too heavy to carry away. The last article to be stolen was a caddy of tobacco that had been left on the Katy depot platform billed to Welch.

Lunday, who resides on a farm six miles east of here. Many of the older folks were present and enjoyed themselves watching the dancers. Refreshments were served.

Diseases and danger lurk in the vital organs. The blood becomes vitiated and the general health is undermined whenever the stomach and liver fail to perform their functions as nature intended. A Mild Winter. The local weather prophets all say this is to be the mildest winter we have had lately. There is thin streaks on the corn, the squadrans of geese and ducks going south fly "wide" and the squirrels have laid up few acorns; persimmons got ripe late and the chickens roost high. These and other innumerable signs point to a mild winter.

Frisco Improvements. An idea of the immense amount of work being done on the Frisco east of this city and west of Peirce City, may be formed when it is stated that 309 cars of crushed stone were shipped from the stone crusher at Wyandotte during the month of November. If the track through the territory is made as good as that directly east of Vinita it will have the finest roadbed in all the state. A big new depot and an eating station is about the only thing that would satisfy Vinita though.

BOOT REMAINS STANDING. Since He Showed His Contempt For The Kangaroo Court. Boot Miller, the man who fired four shots from a rifle at Jacob Nading and whom the jury thought was only guilty of aggravated assault, stands aloof from his fellow prisoners in the holdover.

It is no mistake to say that Boot is standing and that he doesn't like his jail mates. After the jury favored him, for some unfathomable reason attributable only to the peculiarities of some juries, with a verdict charging a crime less than that charged, he was taken to the prison.

There he was at once arraigned before the "Kangaroo court" whose custom it is to make a newcomer pay a dollar into the tobacco fund if he has the money or, if he is broke, to compel him to sweep the floor for a certain number of days.

Boot had the money but got "dissy" and denied the power of the court. For his contempt he was overpowered, made to lean over a bench, and 100 lashes with the cat-o-nine-tails was administered on that part of his anatomy where it was thought he would soonest learn the deference due the court.

The latest song and how it goes is always of interest to some but the condition of one's health should be first in the line of consideration. If you take Dr. Caldwell's Syrup Pepsin you can't have indigestion or stomach trouble. That is certain. People's drug store.

MATHEMATICAL LESSON. Taught Two Friends by Bert Chandler Who "Kissed Them a Few." The popular Bert Chandler last week gave two friends a lesson in mathematics making them pay dearly, however, for the knowledge they gained. Soon afterward he returned the fee—considering that the proposition was too easy, and the victims too glib for him to rightly—easily take their money.

The gentlemen were purchasing after dinner articles when they noted that some article or other was being raffled, and that there were 135 chances. A person would draw a number, and if it be 12, they paid 12 cents for a chance. If they drew 26 they paid 26 cents, etc.

Mr. Chandler remarked that this method would bring \$68, or more. "But it wouldn't," said his friend. A wager of \$30 each was posted when the third member of the party wanted some of it and he was given five dollars worth by Mr. Chandler.

Then several of the bystanders with two of the principals in the wager commenced to figure while Chandler assumed his habitual smile and stood by with an air of confidence. It was found that the raffle, as the system indicated, would return a sum of \$91.90.

M. K. T. Redner's Rates in Indian Territory. Ever since the construction of the M. K. & T. Ry. through the Indian Territory its local passenger rate between stations in the Indian Territory has been on the basis of five cents a mile. The customary rate of passenger fares on railroads except in sparsely settled country, is three cents a mile. The population of the Indian Territory has grown rapidly; there has been a large increase of passenger traffic on this account, and the Katy officials, recognizing the wants of the people and the justice of so doing, have voluntarily arranged to reduce the local passenger rate to a basis of three cents a mile. This reduction will take effect about November first. There will be great rejoicing among the residents along

A POPULAR PASTOR. A Texas Paper Tells of the Popularity of a Former Vinita Preacher. Bro. B. H. Greathouse is soon to leave our city, and in view of the separation so soon to take place the Ladies' Aid society of Marvin church decided to tender him a farewell reception. In accordance therewith, quite a number of the ladies and friends of Bro. Greathouse last evening gathered in the basement of the church and spent sometime in social intercourse.

During the evening the ladies presented the pastor and his good wife with a dozen silver forks and spoons, as a slight token of their esteem and regard. In presenting them, Mrs. T. J. Wiley said in part: "Each year of your stay as our pastor has caused us to add many rounds to the ladder we are building for eternity, and we trust your prayers will still be heavenward in our behalf, and ours will follow you and your loved ones wherever your home may be."

Bro. Greathouse responded in a feeling manner, "tendering the thanks of himself and wife for gifts. Refreshments were then served, after which the meeting dispersed. —Tyler, Tex., Courier.
